2019 Sponsorship Package

Colorado Fruit & Vegetable Growers Association is seeking companies, organizations, growers and individuals committed to the betterment of all sectors of the Colorado produce industry. Check out the association and its sponsorship benefits.

About the Colorado Fruit & Vegetable Growers Association

Who are we?

Colorado Fruit & Vegetable Growers Association or CFVGA was founded in 2014 as a 501c6 non-profit trade association in Colorado, focused on supporting commercial fruit and vegetable growers of all scales, organic and conventional, plus direct and wholesale markets. No other organization like it exists in Colorado.

What do we do?

CFVGA is the go-to resource for Colorado fresh fruit and vegetable farmers. We connect growers with industry, government, academia and consumers to strengthen and expand Colorado fresh fruit and vegetable production.

Why do we need you to partner with us?

As a new trade organization, the CFVGA needs your support—both technical and financial. We, in turn, can help promote and highlight your business or organization through this association. Please include CFVGA sponsorship as part of your annual marketing plan.

2019 Sponsor Overview:

- All sponsor logos are prominently displayed on the CFVGA website <https://coloradoproduce.org>
- Platinum, Gold and Silver Sponsors are recognized at CFVGA events, including the annual conference in February, and their logos are included in outreach materials.
- All sponsorships include a CFVGA membership, giving each sponsor a listing in the online member directory, a subscription to the CFVGA electronic newsletter, and access to all member-only website content, notices and news. Grower and Allied members also receive a complimentary membership to Western Growers www.wga.com, which includes access to WG services, news and online resources. For a full list of member benefits see <https://coloradoproduce.org>
- Sponsorships are on a calendar year basis but accepted year long. Those committing to sponsorship prior to the February annual CFVGA conference are afforded conference related benefits.
- Sponsors who joined us in 2014 or 2015 and maintained their sponsorship annually enjoy the special status of both charter member and charter sponsor.
- Multi-year sponsorship, which includes additional benefits, is available for Platinum and Gold sponsorships.
